President's Message

-- By Randy Scott – rscott@antelecom.net

As I write this, Terry and I are finishing our recent trip of just over 2 months long - actually the longest trip we have taken in our Alfa. I know many of you have taken much longer trips - we are ending ours not because we are tired of traveling, far from it, we just have some obligations back home. We did see a number of great sights for the first time - such as Bryce Canyon and Yellowstone National Parks, much of Utah, Wyoming, Colorado, New Mexico and Arizona. We also attended several Alfa functions where we had a lot of fun, as well as meeting new or renewing old acquaintances! We had a great time at the AlfaSeeYas Albuquerque International Balloon Fiesta Rally. Craig and Terilu Christen did a fantastic job as Rally Masters - we are so glad they stepped up last January and volunteered to do so. Their previous experience of attending and being rally masters at the balloon fiesta provided the rest of us with a great experience, especially to those of us who were attending for the first time! We saw balloons launching in the early (!), morning and night time glows from the fiesta field, as well as balloons flying over and even landing in front of our motorhomes!! We had a total of 20 motorhomes at our rally, including several guests and new members too!

IMPORTANT, the deadline for the 2012 Indio pre-rally is **NOVEMBER 30TH**, please contact Lorraine, ASAP, (Registration form at end of this newsletter)

After Albuquerque, Terry and I traveled to the annual FMCA Rocky Mountain Ramble in Farmington, NM. The folks there put on a great rally (this was our first time attending), with about 400 motorhomes there. One surprise was the well-equipped venue at the fairgrounds - *everyone* had 50 amp power and water! They had a number of interesting seminars and crafts sessions, served breakfast and a dinner, and had nighttime entertainment. After Farmington, Terry and I then attended the South Loafers outing near Tombstone, AZ. We had 17 South Loafers there, plus the couple who serve as park managers at the RV Park who own a 2004 Alfa motorhome! Naturally, they were invited to join us, plus I talked to and gave them information on joining the AlfaSeeYas. They

President's Message Continued on page 2

will be traveling and moving to their other seasonal work camping area and hope to participate with us in the future.

When we stopped in Tucson, AZ we were greeted by Wayne and Joy Holt, former members of the AlfaSeeYas, and are now living in Tucson. They are very interested in renewing, and want to join the South Loafers and participate in upcoming outings and the Alfa owners' annual rally. I guess the "message" here is that wherever we go, we are liable to see other Alfa owners who are very interested in participating with us, and whom we should invite to do so!

Mentioning the Balloon Fiesta reminds me, Craig and Terilu Christen will not be in the Albuquerque area next year, but have provided Kathleen Stinson, our treasurer, all the info they compiled to plan and conduct the AlfaSeeYas balloon fiesta rally this next year. I remember several folks previously saying they were unable to go this year but hoped we would do it again next year, and several who attended this year would like to do it again. If you would like to go, and would like to be a rally/co-rally wagon master, we would very much like to hear from you. All of our attendees this year pitched in to help while there and I'm sure those attending in the future will also.

We are well underway in obtaining registrations for our pre-rally coming up very soon at Emerald Desert in January 2012, after which we will be caravanning to the FMCA Western Area Rally in Indio. I have been in contact with one of the FMCA Western Area folks about us possibly volunteering at the rally. They would like help in monitoring the seminars, helping out the presenter as needed, handing out questionnaires, and providing an assessment of the seminar, for about 4-5 seminars per volunteer. There is a dinner for all volunteers the night before the rally starts (we will be

caravanning over that day anyway, so we will be there in time for it). We will be contacting those who have signed up for the pre-rally soon to see if our members would like to do so. Naturally, it is voluntary, but since it is likely a number of our folks will be going to the seminars anyway, this may be a very useful way to do our part in helping out. Also, if you are unable to attend our pre-rally, but are joining us at the FMCA rally, please let me know and I will include you in our contact list asking for volunteers.

Terry and I have recently found a new source for AlfaSeeYas chapter jackets and hats (info on the previous source is unavailable). We were able to obtain them at a lower price and yet have them personalized with your first name and in your choice of two colors. We will be posting the info on how to order them on our website in the very near future. Terry and I showed the folks at our Balloon Fiesta rally the samples we had, and received several orders right there! If you would like to order them and get the order to me by the end of November 2011, we should be able to bring your items to our pre-rally in January and save you the shipping charge. We are going to provide a free personalized jacket to anyone who volunteers to be a rally master or co-rally master, in appreciation of their work and in hopes that it will encourage others to volunteer in the future. We are also going to provide a jacket and hat to our chapter officers, so they may 'advertise' our chapter to other Alfa owners and hopefully obtain new chapter members.

As always, we encourage you to provide us with ideas for future Chapter rallies, and hope to see you in January 2012!

~~ Randy

Editor's Note ~~ By Jean Maddux, newsletter editor ~~~~~ jeansalfanews@gmail.com

Autumn is upon us and winter is rapidly approaching. So I guess most of us will be heading to warmer climates real soon. Some of you are probably already there.

Here in Oregon the leaves are starting to change and the air is crisp. I think this is my favorite time of year. Everywhere, the trees change color, but New England has the best color change of all. I am from Connecticut and I would (and sometimes still) get homesick in the fall. We were very fortunate to be able to spend the month of October last year in CT. We also traveled thru New York State, VT, NH and Maine, then down through MA and into CT. What magnificent beauty !!! It is a definite

goal to set for yourselves, to travel to New England in the fall. It is a 'Must See'.

I understand the 'Balloon Festival' in NM was a huge success. We were not able to attend but do hope to go next year. What I hear, it is also a 'Must See'. Be sure and read the article by Denise Laurion Gray, starting on page 4.

We hope to see you all at the FMCA Rally in Indio, CA next January. And don't forget the Alfa Owners Club annual rally in AZ

Have safe travels and stay warm this winter.

~~ Jean

Growing old is inevitable, growing up is optional.

Rallies ... the most FUN you can have in your Alfa ...

If you would like to suggest **a local rally**, please contact our President, Randy Scott. A group of AlfaSeeYas can get together very easily for a few days during the week, or over a weekend. **NEED HELP PLANNING A RALLY?** We have several documents to help those interested in planning a pre, post or other rally for our members. You can contact Randy and ask for any or all of the documents. They include: *Rules of Thumb for Estimating Costs* and *Planning a Pre or Post Rally in Brief*.

ALBUQUERQUE INTERNATIONAL BALLOON FIESTA

By Denise Laurion Gray

40 participants in 20 rigs made a check mark on their bucket list at the Albuquerque International Balloon Fiesta October 1- 9. Neither pictures nor words adequately convey the beauty and fun of watching 500-600 hot air balloons gently traveling above your head and coach.

A parade of Alfas', and a few SOBs (Some Other Brand) descended upon the ABQ Fiesta RV Park on Friday morning September 30th. Wagon masters Craig and Terilu Christen guided them with military precision into a straight formation of 6 inches from the road line.

At the afternoon welcome meeting, Craig discussed successful boon-docking, reviewing and taking questions about the boon-docking instructional email all participants received prior to arrival. Boon-docking for 9 days

was much easier than most of us had anticipated with trepidation. Personally, Bob and I left with fresh water still in the tank, and room in both the black and gray water tanks. So boon-docking for an extended period was another check on our bucket list!

For those that needed it, fresh water trucks traveled through the park each day, along with a Schwan's truck, newspaper carriers, RV repair technicians, and RV merchandise vendors. By Wednesday, there was a running joke going about a 'group dump'. If several rigs coordinated, there was a discount for the rigs that chose the 'group dump' option.

The Fiesta officially began Saturday morning October 1st with the opening ceremonies and Mass Ascension. Most of us attended and watched from the launch field as the Fiesta coordinated breaking the Guinness World Book record for the most balloons to launch within one hour, stealing the record back from the French, who had beaten the ABQ record a few years before.

The ABQ Fiesta is one of the rare events where not only are you allowed to walk on the field, but you are actively encouraged to participate in 'crewing' for a balloon team. Craig and Terilu encouraged all rally participants to sign up to 'crew' for a team. In doing so, you were given a 'crew pass' which allowed you to access the events several times a day. The rally covered 5 tickets for the events, and a ticket is required at each morning and evening event. Many of us turned our tickets back in to Craig, saving money for the rally and the Alfa See Ya's.

Since the balloons launch early in the morning, most of the morning events were completed by 10 AM. There were plenty of food and merchandise vendors for your browsing pleasure. Favorite food vendors were JR's

breakfast burritos and the huge Dutch Boy doughnuts. Numerous vendors offered jewelry, pottery, art, t-shirts, sweaters, and other interesting items to assist you in donating money to the local economy.

In the evening, many of us returned to the Fiesta Park for the “Balloon Glow” and “Afterglow Fireworks”.

Travel to Fiesta Park was via shoe leather express or taking the buses that traveled through the park on a regular basis. The buses had a dedicated lane, so the ride was a short one, with riders not being delayed by the heavy morning and evening traffic. One evening our driver had us singing songs and in a competition with another bus for most enthusiastic bus riders, an interesting experience!

Each morning from 7-9 (with coffee starting at 5:30) Craig hosted a Continental Breakfast in our Rally Tent. In the afternoon, each day, we had 'happy hour' where we reviewed our day's activities. We had an excellent

opening evening catered dinner. The caterers were a Native American couple, who graciously spent an extra hour discussing their heritage with our group. On our last evening, we had a delicious gourmet pizza dinner, paid for by money saved by the 'crew team' members.

Crewing for a team was not as physically demanding as you would assume. It consisted of assisting the crew with laying out the balloon 'envelope', holding ropes, holding down the basket, and riding in the chase vehicle. At the landing, each of the previous activities was completed in reverse. The most strenuous part was the tail gate party, where you were forced to consume excess amounts of food, champagne, margaritas and pina colada's. It was strenuous, but Alfa See Ya's are a tough group and we made it through with adding only one notch to our belt buckles.

Many days the balloons landed in or behind the RV Park, giving those who did not 'crew' for a team, the opportunity to witness and participate in a balloon landing. Sitting in front of your motor home, sipping coffee, tea or cocoa, while watching the show overhead was a favorite activity.

Other rally activities included optional group trips to The Pueblo Cultural Center, a train trip to Santa Fe with a professional tour guide, riding up the Sandia Tram with lunch at the mountain top, visiting the ABQ History Museum, a walking tour of Old Town ABQ, visiting the Balloon Museum, discounted buffet lunch at a

casino, touring the Atomic Energy Museum, and a golfing expedition. On Wednesday afternoon, we had the Coach Walk, where we microscopically examined each participating rig, for decorating ideas.

Friday evening, also with saved rally money, we had a gift exchange. Much laughter and stealing occurred during the game, matched by the trading afterwards.

Thanks go to many people, including those who volunteered their generators and gas for our lights and coffee, cleaned up after the breakfasts and dinners, worked with others who had coach issues, scrubbed and vacuumed for the coach walk and used their cars for carpools. Very special thanks go to our Wagon Masters, Craig and Terilu Christen for all their preparation and hard work.

So update your bucket list, because several members have already expressed interest in a balloon fiesta rally next year. Unfortunately, Craig and Terilu won't be able to be our wagon masters next year, but provided an extensive record of what they did this year. We are very interested in obtaining volunteers for next year. Please contact us if you are interested in attending and being a wagon master. Watch the newsletter and the website for the information. Happy Trails and see you in ABQ October 5-14, 2012.

A Police STOP at 2 AM

An elderly man is stopped by the police around 2 a.m. and is asked where he is going at this time of night.

The man replies, "I am on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late."

The officer then asks, "Really? Who is giving that lecture at this time of night?"

The man replies. . . "That would be my wife."

A VERY important note from your editor: Jean Maddux jeansalfanews@gmail.com

I am asking all of you to please, please, please, send me something to put in the newsletter. Anything at all that might be interesting. 2012 ALFA OWNERS CLUB RALLY

Hi, I am Larry York. Shirley and I are the Rally Masters for the 2012 Alfa Owners' Club Annual Rally. We appreciate Randy giving us the opportunity to provide you with some information about the 2012 Rally

The Rally will be held April 12th - 17th, 2012. This years' Rally theme is "Mining for Gold". Therefore it is fitting that the location of our Rally is at the Canyon Vistas RV Resort (a Cal-AM Resort) located in Gold Canyon, AZ.

Gold Canyon is an unincorporated community located about 40 minutes east of the Phoenix Sky Harbor airport at the foot of the beautiful Superstition Mountains-supposedly the site of the Lost Dutchman's Gold Mine.

Enclosed is a registration form for this years' Rally. The fees consist of:

- Basic registration fee - covers two people per rig, includes two commemorative Rally patches per rig, a welcome packet, three catered meals, coffee and donuts each morning, an ice cream social, a wine and cheese tasting, a pet parade, door prizes, Chapter gift basket drawings, and raffle prizes. Both of you will also have access to Rally activities which include: craft classes (there will be an additional fee collected at the Rally for specific classes), seminars, vendors, pool aerobics and

walks each morning, an open house/coach walk and yard sale, a used book sale (please bring your used books to donate to the sale), and a BBQ sponsored by Alfateers RV Service Center.

- Park fee - site rent for six nights with full hook ups including taxes. Note that this rate will be good for five days prior to and after the Rally provided the dates are
- attached to the Rally dates. If you want to arrive prior to the Rally and/or stay after the Rally, you should make those arrangements direct with the Resort. Please note, that you may have to move when the Rally starts or after it ends if the Resort has the site reserved for someone else.
- Optional fees -
 - Ladies Luncheon - lunch for one person, plus the opportunity to win a raffle prize.
 - Non-Chapter Member - additional fee for attendees who are not currently members of one of the six Alfa Owners' Club Chapters. For those who join a Chapter prior to or during the Rally, we will refund this fee.
 - Additional people - additional fee for each person over the two who are registered for the Rally.
 - Extra 2012 Rally Patches - for those who would like additional Rally patches over the two that are included with your registration fee.

We will have a golf tournament during the Rally. As soon as it is set-up we will provide you the cost to participate in the tournament and ask if you will participate or not prior to the Rally. Fees will be collected at the welcome desk when you arrive at the Rally.

We also plan on having a vendor on-site for rig/vehicle washes and waxes. Those who want their rig and/or tow vehicle washed or washed and waxed can sign-up and pay at the welcome desk when you arrive.

In addition, we MAY have additional on - off site activities that may require a fee. In the event we do offer additional activities, we will have sign-up sheet(s) at the welcome desk and any fees will be paid when you sign-up.

Alfateers RV Service Center will also be on-site to provide service and selected installations during the Rally. Separate sign-up and information/price sheets are available for those that need service or want something new installed or replaced on their rig. I urge you to sign-up as soon as possible as their work schedule gets full quickly.

Space is limited as we can only accommodate 120 rigs, therefore, if you are planning on attending the Rally, you should send your registration in as soon as possible.

A Christmas Toast

By Kelly Ranger

After putting up our Christmas tree on a Sunday evening, I told my two sons that it was time to get ready for bed. Justin said he thought it would be nice to sit as a family and admire the tree together. He asked if we could all do that for a minute before bed. Although it was late, I decided to let him have the minute he wanted. I told him it was a great idea and I suggested we have a drink of eggnog by the tree and have a "toast" to welcome the Christmas season. He was so excited, he ran to the kitchen and got the eggnog from the fridge. I got my best crystal liquor glasses and he filled them up. I took the glasses to the coffee table by the tree and called for my older son, who had left the room. Once we were seated by the tree, with our eggnog, I again called for Justin. For some reason he had not come back into the living-room after pouring the eggnog.

Justin answered by saying, "I'm coming Mom, it'll just be a minute, the toast is almost done!" He was in the kitchen making toast! My husband and I could barely contain our laughter as Justin emerged from the kitchen with a plate on which he had a slice of toast, torn into four pieces, and exclaimed "Okay, we're ready now, I've got the Christmas Toast!" We sat by the tree, drinking our eggnog and eating a piece of dry toast while admiring the tree. We still haven't told him what "to make a toast" means as he was so proud of himself for what he had done. The look on his face that evening still brings tears to my eyes. He was so happy and I was so happy I didn't insist on them going to bed right away like I normally would have. I learned that sometimes when you give a minute, you can gain a lot more.

Notes from Members - Alfa Resources

Jerry Wood installed these shocks on his 2004 Alfa. He says it is the best thing he has done to his motorhome. He says the motorhome just drives like a dream. A little spendy but sure was worth the money.

Dear Alfa chapters,

We have invited your chapter points of contact to send AlfaSeeYas chapter newsletter editor, Jean Maddux jeansalfanews@gmail.com information on your future outings, so that we can publish them in our chapter quarterly newsletter. As President of the FMCA AlfaSeeYas Chapter, and as a member of the Alfa South Loafers owners chapter, I realize that some functions are exclusive to only chapter members or Alfa Owners, but in other cases I know we have been encouraging other Alfa owners, as well as guests and SOBs, to attend. That way, we have the opportunity to make new friends, sign up new members, and maybe even get better group rates if we have a larger attendance. Also, since many of us are members of several chapters, we may be able to minimize schedule conflicts, as well as maybe go from one outing to another. For those outings you are planning for which other Alfa owners or guests/SOBs are invited, please provide to Jean: Outing titles, dates, whether other Alfa Owners and/or guests/SOBs are invited, and a point of contact/website for more information.

We TRY to publish our newsletter quarterly, so whenever you have an update, please send it to Jean, and she will put it in the next one to be published.

Thanks,

Randy Scott

AlfaSeeYas Indio Pre-Rally

January 6 to 10, 2012, Emerald Desert RV Resort

Prior to FMCA Western Region Rally

Come to The Desert and enjoy the January sunshine, with average temperatures at 72°. Visit old friends, and make new ones. Take a tour to learn about windmill operations and the geology of the area. Play a round of golf, or learn to crochet. In addition to these great activities planned for the Pre-Rally, we will convoy as a group to the FMCA Rally at the Indio Fairgrounds, this allows us to camp together “on the grass” close to the activities, and continue socializing with Alfa friends, happy hours and all. Wagon Masters are Mike and Lorraine Lynch (assisted by Pat and Barb Pintus). Space is limited for this very popular rally, so register early! We hope to see you there!

Registration Form is in this Newsletter, and online at <http://www.AlfaSeeYas.com>
