

AlfaSeeYas Tucson Pre-Rally

February 1 to 5, 2018 at Voyager RV Resort

Prior to International Area Rally

Come join your fellow AlfaSeeYas Chapter members and enjoy great weather in Tucson, Arizona in February. We will have a four-night Chapter pre-rally at the Voyager RV Resort, and then those who wish will move to the FMCA International (INTO) Area Rally at the Pima County Fairgrounds on February 5th. (You can attend the pre-rally without going to the rally, and vice-versa.)

Your pre-rally registration includes a catered welcome dinner on the first night, Thursday, and a catered breakfast on Saturday morning. There will be free time to enjoy the many sights of the Tucson area or attend three optional planned activities:

- Tour of the Pima Air and Space Museum, including bus tour of the military aircraft “boneyard” at Davis-Monthan Air Force Base. The Museum is one of the largest non-government funded aviation and space museums in the world! Featuring over 300 historical aircraft, from a Wright Flyer to a 787 Dreamliner. Our visit will include a narrated motor coach tour through the nearby boneyard where we will see over 4,000+ aircraft from the all the military services and several federal agencies including NASA in varying degrees of storage, being regenerated or recycled.
- Tucson is the home of the 95-year-old El Charro Café, a family-owned local icon which has gained national fame and was recently name one of the top 30 Mexican restaurants in the country by a food and travel website. We will arrange a group outing to El Charro on Sunday - - we will be going for lunch so everyone can be back to the park in time to watch the Super Bowl.
- Tucson Food Tour – this is a four-hour walking tour that will visit at least six restaurants (one of which is usually El Charro). At each stop you will sample on of the specialty dishes from that restaurant. Total distance covered during the tour is about two miles. Because there is a limit to the number of people that can be accommodated, we will take the first 14 people to sign up via the pre-rally registration form.

Things to See and Do in the Tucson Area

Saguaro National Park. Tucson is home to the nation's largest cacti. The giant saguaro is the universal symbol of the American west. These majestic plants, found only in a small portion of the United States, are protected by Saguaro National Park, to the east and west of the modern city of Tucson. Here you have a chance to see these enormous cacti, silhouetted by the beauty of a magnificent desert sunset. Saguaro East: 3693 S. Old Spanish Trail, Tucson, Arizona 85730. Saguaro West: 2700 N. Kinney Road, Tucson, Arizona 85743.

Arizona-Sonora Desert Museum. The Desert Museum is ranked on TripAdvisor.com as one of the Top 10 Museums in the country and the #1 Tucson attraction. Unlike most museums, about 85% of the experience is outdoors! The 98-acre Desert Museum is a fusion experience: zoo, botanical garden, art gallery, natural history museum, and aquarium: 21 interpreted acres with two miles of walking paths through various desert habitats, 230 animal species, 1,200 types of plants. 2021 N Kinney Rd, Tucson, AZ 85743. www.desertmuseum.org/

Old Tucson. Old Tucson is one of Arizona's top Wild West attractions, featuring live action stunt shows, musicals and live entertainment, vintage rides for the kids, genuine southwest BBQ and special events throughout the season. Step back in time as you make your way through town, walking the same streets made famous by movie legends such as John Wayne, Clint Eastwood, Elizabeth Taylor, Steve Martin, Sharon Stone and Martin Short. Immortalized in more than 400 films and commercial productions, Old Tucson remains the region's premiere film location. 201 S. Kinney Road, Tucson, Arizona 85735. www.oldtucson.com/

Mission San Xavier del Bac. Built in the 1700s, this recently restored white adobe church, representing a wonderful example of Spanish colonial architecture, is beautiful inside and out, with colorful frescoes, sculptures, and carvings. 1950 W San Xavier Rd, Tucson, AZ 85746. <http://www.sanxaviermission.org/>

Tucson Botanical Gardens: Set in the heart of the city are winding pathways, floral exhibits and greenhouses — all using minimal water due to the dry desert climate. The beautiful getaway offers iris and herb gardens, a gift shop and regularly hosts special events such as musical guests or butterfly exhibits. 2150 N Alvernon Way, Tucson, AZ 85712. www.tucsonbotanical.org

Sabino Canyon. One of the most premier natural areas in southern Arizona, this recreation area is located at the base of the Santa Catalina Mountains. Here you will find outstanding scenery that features steep rock cliffs and unique desert vegetation adjacent to riparian corridors. Some popular uses are walking, jogging, hiking, bicycling (with restricted times) shuttle riding, nature study, horseback riding, wildlife viewing, photography and so much more. 5700 N. Sabino Canyon, Tucson, AZ 85750. <https://www.fs.usda.gov/recarea/coronado/recarea/?recid=75425>

Titan Missile Museum. At this museum near Tucson visitors journey through time to stand on the front line of the Cold War. This preserved Titan II missile site, officially known as complex 571-7, is all that remains of the 54 Titan II missile sites that were on alert across the United States from 1963 to 1987. This one-of-a-kind museum gives visitors a rare look at the technology used by the United States to deter nuclear war. What was once one of America's most top-secret places is now a National Historic Landmark, fulfilling its new mission of bringing Cold War history to life for millions of visitors from around the world. 1580 W.
